ATEP Letter of Intent

Your letter of intent is a chance for you to introduce yourself to us. We want to hear your story and to know a little about you. Some of the questions that you might address in your letter are:

- Why do you want to become a teacher?
- Why do you feel ATEP is a good fit for you?
- What are your long-term goals?
- What would your plans be once you have completed the program?
- Also, tell us what your strengths, skills, interests and hobbies are.

Your letter should be no less than 1 page and no more than 2 pages. Our students are more than just a student number – in ATEP we value our students and who they are as individuals. We feel it is a privilege to walk along side our students as they reach their dream of becoming a teacher. We are excited that you have decided to apply to ATEP and we will be so pleased to get to know you a little better!
